

PRANUTHI KABILAN

pranuthi.k.s@gmail.com | 7337280555

B.Tech, Computer Science and
Engineering - Artificial
Intelligence and Machine
Learning

Education

SRM IST-Kattankulathur

B.Tech · Computer Science and Engineering -
Artificial Intelligence and Machine Learning
Completed May 2026

CGPA - 8.23/10

Projects

Stock Market Prediction Framework

Python, Deep Learning, Big Data Analytics, Technical Indicators

Developed a deep learning-based stock market prediction framework using technical indicators and large-scale financial datasets to analyze market trends, forecast stock movements, and support data-driven investment analysis.

Publication in IconDeepCom 2026

Conference held at Southern Taiwan University of Science and Technology

Blood Bank Management System

HTML, SQL

Healthcare Informatics / HealthTech

The Blood Bank Management System is a web-based project designed to efficiently track blood availability across multiple blood banks while managing requests from hospitals and individuals.

Accelerating GPU-Powered Drone Navigation System Using RAPIDS

Python, Numpy, cuda, tensorflow, RAPIDS, Machine Learning

A high-performance pathfinding system that leverages CUDA and CuPy to calculate the shortest path between two points on a real-world map. This project serves as a proof-of-concept for a real-time drone navigation engine, where low-latency route calculation is critical.

E-Waste Sorting Robot

Python, Embedded Systems, Computer Vision, Automation

Developed an automated e-waste sorting robot capable of identifying and categorizing electronic waste materials using intelligent detection and sorting mechanisms to improve recycling efficiency and waste management processes.

Awards And Achievements

Published research paper at Southern Taiwan institute of technology (STUST)

published my research paper on Stock Market Analysis at ICONDEEPCOM 2026 in Taiwan.

EMCEE at Southern Taiwan institute of technology (STUST)

EMCEE at ICONDEEPCOM 2026 in Taiwan.

Award of Academic Excellence (Student Abroad Program)

Received the Award of Academic Excellence from SRM Institute of Science and Technology for outstanding academic performance during the semester abroad program at Western Sydney University, achieving High Distinction while studying from July 2025 to December 2025.

PUBG Esports Competition – Bronze Medal SRM Institute of Science and Technology

Secured Bronze Medal in the PUBG esports competition conducted at SRM Institute of Science and Technology, demonstrating teamwork, strategic gameplay, coordination, and competitive performance under high-pressure environments.

Author of : “The world as I see it”

Written and Published a poetry book called “The world as I see it - Pranuthi Kabilan”

Certifications

AWS Academy Graduate - Machine Learning Foundations -

<https://www.credly.com/badges/5ac503e2-e2e1-47ba-b0dc-5387e3bde585/print>

Coincent AI Internship -

ACM SIGCHI · SRMIST KTR

For Organising as Chairperson

Skills

Programming Languages: HTML, Java, C++, C, SQL, Python, JavaScript, CSS, QuickBASIC, VisualBasic.

Soft skills: Leadership(Chairperson of ACM), Communication, Teamwork, Research Documentation, Problem Solving, Presentation Skills, Analytical Thinking.

Technical Skills: Design And Analysis of Algorithms, Data Structures and Algorithms, Data Science, Machine Learning, Artificial Intelligence, Deep Learning, CUDA Programming, Data Structures and Algorithms, Database Management Systems, Big Data Analytics, Responsive Web Development, UI/UX Design

Domain Knowledge: Quantum Communication and Cryptography, Artificial Intelligence, Neural Networks, Parallel Computing, Computer Organization and Architecture, Operating Systems, Object-Oriented Programming, Database Management Systems, Computer Networks, Digital Image Processing, Data Analytics, Research Methodologies.

Languages

English [Native Proficiency], Tamil [Native Proficiency], Telugu [Native Proficiency], Hindi [Native Proficiency], French [Fundamental Proficiency], Japanese [Fundamental Proficiency]
